### **Feedback Analysis and Action taken report**

Feedback on curriculum was collected by the IQAC of the college from a variety of sources including teachers, students, employers, and alumni. A Statistical tools were used to collect and analyse the data. The IQAC and the principal looked over the feedback analysis. To Improve the scenario, potential efforts would be made based on the suggestions.

#### **suggestions**

- The development of employable skills should be prioritised
- Life skills and skill development courses should be tailored to fulfil the demands of future generations

The number of opportunities for students to interface with industry should be enhanced.

- Use of ICT tools by the faculty should be enhanced.
- Alumni should be involved in the Institutional progress.
- The annual academic schedule should be closely adhered to in order to conduct exams on time and release results as soon as possible.

Action taken by the principal

- For effective teaching, faculty were encouraged to employ ICT tools and conduct classes in Digital classroom or virtual classroom.
- The computer science lecturer provided academics with training on ICT
- The Institution makes the required efforts to strengthen the Alumni Association.
