

# GREEN PRACTICES

---

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Plastic
5. landscaping with trees and plants

Members and students use the bicycles, carpool, share vehicle as well as those who are staying nearby use the bicycles and prefer walk. Some of the Students use the bicycles some of the big trees which are obstacles to the building area so they moved to the open space. Medicinal Garden maintained in college area. To make awareness for green initiative, College offer Sapling. Footpaths are available surrounding the college so pedestrians are using friendly roads. Public transport vehicles do not play inside the premises preventing pollution effects .Apart from well-laid down internal CC Roads dotted with avenue plantation of trees. Usage of plastic is discouraged. Provision is made for collection and disposal of plastic waste from different locations in the college premises. Arrangements are in place for recycling of the same wherever is possible.

Plastic Free campus: Anti-plastic drive: It is conducted in the college campus and surrounding area of KANIGIRI.”SWACHH BHARAT ABHIYAN” conducted on 2nd October.
