

The IT facilities have been upgraded its infrastructure and facilities including wi-fi to facilitate timely and required information. IT infrastructure and computer connectivity for enhanced teaching-learning process. The internet is backed with more than 4 mbps Broadband connectivity from the following A.P fiber network providers . Three computers are assembled both for the students and teachers to accommodate and co-curricular purposes . One printer is available in the office, one projector is also available for conducting/attending classes, webinars and seminars for students and staff.

The computer facility has been provided to the students and connected through wi-fi to make teaching-learning effective. Online classes are also provided during the pandemic time where available connectivity for all the teachers. Software used for the students is updated according to the changes in the syllabus. All the staff members are attending training programs conducted by the Commissioner of Collegiate Education. Video conferencing facility is also available within the institution and connecting to outside government colleges in the state of Andhra Pradesh.

From 2022-2023 Academic year, with the support of Andhra Pradesh State Skill Development Corporation (<https://www.apssdc.in/home/homepage> ), Government Degree College - Kanigiri is able to establish a Skill Development Center in its premises. We hope that in the coming years, the students of Government Degree College - Kanigiri will be trained as per the industry need and hopefully be placed in the suitable industries.

The IT facilities in the skill development center like Computer PCs, Internet Connectivity is being used to training the students as per the industry needs

Sir

Sub: SD&T Dept. – APSSDC – Request to allocate required space for establishment of Skill Hubs under Phase II - Reg.

\*\*\*

Greetings from Andhra Pradesh State Skill Development Corporation (APSSDC).

As you are aware that, as per the directions of Government of Andhra Pradesh for establishment of Cascading Skill Ecosystem, 66 Skill Hubs across 64 Assembly Constituencies have been established under Phase I. The phase I skill hubs will be launched on 26<sup>th</sup> September 2022. Out of 66 skill hubs under phase I, 17 skill hubs have been established in Government Degree Colleges.

As per the directions of Government, the activities pertaining to the establishment of Phase II skill hubs have been commenced. The locations for remaining skill hubs across 111 assembly constituencies are being identified from government premises only. The space required for establishment of each skill hub is 2 classrooms and 2 labs.

The district level teams from APSSDC are visiting the Government Degree Colleges for identifying the suitable space for establishment of skill hubs. The team shall see the feasibility of existing classrooms, labs with required infrastructure, and other facilities that are essential for commencement of training.

In this reference, we request you to extend your support and cooperation in identifying and allocation of suitable space (classrooms and labs) to establish Skill Hubs under Phase II. We also request you to issue the necessary instructions to the principals of Government Degree Colleges to support and cooperate with APSSDC teams.

Yours faithfully,

MD & CEO
